

Scout Night with the Lowell Spinners!

Pack 194 Cub Scouts and families are invited to our annual baseball outing and campout at Lowell's LeLacheur Park on **Saturday, July 9th**.

Scout Night is a fun activity for boys and girls involved in Scouting throughout our area. Over 600 Scouts and families will attend this popular event. Campers will enjoy an evening of minor-league baseball in a family-friendly setting. Following the Spinners' certain victory, we will pitch tents in the outfield, enjoy a game of catch, and then retire at the area's only "camp-in movie theater" to watch *Star Wars* on the big screen.

Pack 194 has reserved a limited number of tickets for Cubs and their families. Tickets are \$33 per person, and include:

- * A seat behind home plate to watch our Lowell Spinners—Short-Season Class A affiliate of the Boston Red Sox—take on the Connecticut Tigers of the Detroit Tigers farm system (first pitch @ 5:05pm)
- * A voucher for a hot dog, soft drink, and chips during the game
- * An official camper ID badge and lanyard
- * A Lowell Spinners Scout Night patch
- * Participation in a pre-game Scout parade, with recognition of our Pack
- * Sunday morning breakfast

Tickets are offered first-come, first-served. **To reserve your family's spot for this event, please email John Mitchell (jcmitch96@hotmail.com) no later than Friday, May 27th**, with your Cub Scout's name(s) and the number of tickets you need. Please then send a check payable to Cub Scout Pack 194, to:
